DESALTO

Clay è un tavolo-scultura nato dall'incontro di due volumi: il piano e il basamento, in equilibrio uno sull'altro, sperimentano l'appoggio ardito di una sezione ridotta al minimo. Tavolo con basamento in poliuretano rigido rivestito nelle nuove finiture cemento grigio luna e pietra tufo applicate manualmente a spatola. Piani in MDF (indoor) o cristallo temperato 8mm (outdoor) rivestiti nelle nuove finiture cemento grigio luna e pietra tufo.

Clay is a table-sculpture born from the encounter between two volumes: the top and the base balanced one on the other, a daring experiment in resting on a section reduced to a minimum. Table with base in rigid polyurethane covered by hand spreading in the new finishes concrete grey luna and tufo stone. Tops in MDF (indoor) or toughened glass 8mm (outdoor) covered in the new finishes concrete grey luna or tufo stone.
