

Clyde

Gino Carollo

The Clyde table top is slightly squared in shape and it is made of lacquered wood. Bonnie and Clyde (stool and table) are ideal partners, but they are also available for purchase separately. They stand out for the painted metal frame with a square base featuring rounded corners, and are available in five colours: white, red, anthracite grey, saffron yellow and dove-grey.

TOP:

- mat white lacquered wood
- mat red lacquered wood
- mat dove grey lacquered wood
- mat anthracite grey lacquered wood
- mat saffron yellow lacquered wood

FRAME:

steel painted in a color matching the top
